### A Fond Retirement Farewell to our Co-Founder

### A Fond Retirement Farewell to our Co-Founder

The TJCAA Team came together on May 16th to celebrate the retirement of TJCAA co-founder Terry Cavanagh.

More than 40 attendees—a mixture of employees and clients—were on hand for Terry's party at the Side Gate Brewery & Beer Garden in Concord. The agenda for the festivities included a slideshow focused on TJCAA's history and Terry's adventures with the firm, congratulatory speeches from colleagues and clients, and the presentation of a new track saw to support Terry's woodworking hobby in retirement. Gold watches are overrated. Smiles, laughter, and a few tears mixed well with the Mexican food and brewed libations, and more than one person asked Terry if he would mind retiring again next year, or at least throw another party like that one.
