Hibachi and Harmony: Kicking Off the New Year Together

At the start of each year, TJCAA gathers for a team get-together. It's an opportunity for everyone to catch up, reconnect, recognize important milestones, and celebrate all the hard work that went into the previous year.

This year, the team met for lunch at Kobe Japan in Pleasant Hill, where the hibachi chef treated them to a performance they won't soon forget! Along with whipping up delectable fried rice and filet mignon, the chef serenaded the team with a rendition of a Backstreet Boys song.

The group marked two milestone anniversaries: five years for Senior Electrical Engineer, Anne Broughton, and twenty years for Vice President Emeritus, Paul Giorsetto.

While some team members were unable to join, we are grateful to everyone who was able to attend and help make the gathering memorable.

Cheers to another successful year at TJCAA!
